

7TH EUROPEAN CONFERENCE ON Weaning and Rehabilitation in Critically ill Patients MOVE AS A TEAM

9 and 10 november 2019

Amsterdam, Netherlands

CALL FOR INDIVIDUAL ORAL OR POSTER ABSTRACTS

Submission DEADLINE: September 16th, 2019

We welcome attendees to submit abstracts of their research or clinical practice.

Abstract submission guidelines

Abstracts will be selected to be presented in either the plenary program or poster presentation session.

Notification of acceptance as oral or poster will be given before October 1st, 2019.

Submission of an abstract is only possible via the **online abstract submission module**. Abstracts submitted via e-mail or incomplete submissions will not be considered.

Abstract format

1. The abstract should be submitted in *English*.
Abstracts have a word limit of **250 words**. All abbreviations have to be written in full text and explained upon first use.
2. The following *structure and subheadings* should be used:
 - Title: provide a short clear title reflecting the content of the abstract.
 - Aim: describe research background, the working definition and/or hypothesis.
 - Methods: should contain applied methods, including number of patients.
 - Results: present a summary of the most important results. Please include value of the test statistics and p-value if applicable.
 - Conclusion: please present a conclusion based on the results.
 - Reference(s): if applicable one reference may be included.

Please note: it's not possible to include images/tables/figures in your abstract.

3. *Presentation preference*: oral or poster. Please indicate if you are prepared to present your abstract as poster in case it cannot be accepted as oral presentation. The organizing committee makes the final decision.
