

Program 7th European Conference on Weaning and rehabilitation in Critically ill Patients
9 & 10 November 2019
Amsterdam, The Netherlands

SATURDAY NOVEMBER 9TH

- 9.00 – 10.30 THE PATIENT; ACUTE PHASE**
Chair: tba
- 09.00 – 09.15 Welcome
Dr. Marika van der Schaaf (The Netherlands)
- 09.15 – 09.30 Lessons from a patient journey
Marianne Brackel (The Netherlands)
- 09.30 – 10.00 ICU-acquired weakness; current perspectives
Dr. Janneke Horn (The Netherlands)
- 10.00 - 10.30 Interdisciplinary care to optimize weaning: move as a team
Prof. dr. Alexandre Demoule (France)
- 10.30 – 11.00 *Coffee – tea*
- 11.00- 12.15 INTERDISCIPLINARY CARE**
Chair: tba
- 11.00 - 11.20 The added value of SLT in ICU
Dr. Jackie McRae (United Kingdom)
- 11.20 - 11.40 The role of resilience on wellbeing
Dr. Margo van Mol (The Netherlands)
- 11.40 - 12.00 Family participation
Tba
- 12.00 – 12.15 Conclusion towards integrative care
Chair
- 12.15 – 13.30 *Lunch | Posters | Speeddates*
- 13.30 - 14.15 MEET THE EXPERT SESSIONS - ROUND 1**
- Meet the expert session 1 - Weaning: a systematic team approach and successful implementation**
Annemijn Jonkman (The Netherlands) | Beatrix Clerckx (Belgium) | Monika Wäscher (The Netherlands)
- Meet the expert session 2 - Cough augmentation techniques in ICU**
Dr. Frederique Paulus (The Netherlands) | Willemke Stilma (The Netherlands)
- Meet the expert session 3 - Ultrasound of the diaphragm: Missing piece of the puzzle?**
Dr. Pieter Roel Tuinman (The Netherlands)
- Meet the expert session 4 - Team approach of early mobilization; how do we combine the optimal purpose for patient, nurse, physical therapist and the optimal practical expertise in early mobilization**
Peter Nydahl (Germany) | Dr. Juultje Sommers (The Netherlands)
- Meet the expert session 5 - Using FEES to support weaning, communication and swallowing**
Dr. Jackie McRae (United Kingdom) | Sandra Offeringa (The Netherlands)
- Meet the expert session 6 - ECMO a multidisciplinary approach overcoming mobilisation "impossibilities"**
Dr. Dinis Dos Reis Miranda (The Netherlands) | Siep Hol (The Netherlands) | Marije Saeijs (The Netherlands) | Marijke Verbiest (The Netherlands) | Robert van der Stoep (The Netherlands) | Perfusionist tba
- 14.15 - 14.30 *Meeting room switch*
- 14.30 - 15.15 MEET THE EXPERT SESSIONS - ROUND 2**
- 15.30 – 16.00 *Coffee – tea*
- 16.00 – 17.30 CHRONIC PHASE**
Chair: tba
- 16.00 – 16.45 **Muscle metabolism in critical illness: implications for nutrition and exercise**
Dr. Zudin Puthuchery (United Kingdom)
- 16.45 – 17.30 **Move in your own way**
Dr. Eve Corner (United Kingdom)
- 17.30 – 18.15 *Drinks and bites*
- 19.00 - 22.00 *Conference dinner*

SUNDAY NOVEMBER 10TH

09.00 – 10.30 ICU REHAB (ACUTE AND CHRONIC)

Chair: tba

09.00 – 09.40 **Building muscle mass and strength in patients**

Dr. Zudin Puthuchery (United Kingdom)

09.40 – 10.20 **Mobilization of nurses**

Peter Nydahl (Germany)

10.20 - 10.30 **Conclusion**

10.30 – 11.00 *Coffee – tea*

11.00 - 12.30 INTERDISCIPLINARY

Chair: Leo Heunks (The Netherlands)

11.00 - 11.30 **Interdisciplinary care is a continuum during and after ICU stay**

Dr. Peter Spronk (The Netherlands)

11.30- 12.30 **4-6 Abstracts**

12.30 – 13.30 *Lunch / Posters / Speeddates*

13.30 – 15.30 AFTER ICU

Chair: tba

13.30 - 14.00 **From Womb to Adulthood: Does Music mater in the (N)ICU?**

Dr. Artur Jaschke (The Netherlands)

14.00 - 14.30 **The Post-Intensive Care Syndrome, right care at the right place?**

Dr. Marike van der Schaaf (The Netherlands)

14.30 - 15.00 **Novelties. Short movies best practices**

15.00 - 15.30 **State of the art - Weaning, rehabilitation & home ventilation centres: stepping up to improve long term outcomes**

Prof. dr. Nicholas Hart (United Kingdom)

15.30 - 16.00 **Closing and hand-over to next city**
